

TRACI.net vFax Email-to-Fax Service

To send a fax using our vFax Email-to-Fax Service, simply send an email using the following parameters:

To: <10_digit_number>@emailyourfax.com
From: authorized@email_address.com
Subject: <Your vFax DID number; 10 digits only>
Body: <blank>

NOTES:

Emails should be sent with a single attachment, as our system will only fax a single attachment per email.

Attachments may be sent in JPG, PDF, Adobe PostScript, TIFF, Microsoft Word, Excel, CSV, HTML & Plain Text formats.

Upon submission our system will reply with a confirmation or rejection notice.

New faxes sent with this service will be displayed on the vFax Service page within the customer user portal with their current status.

To access the customer portal, you may login using the following:

Customer Portal URL: <http://www.viewmyfax.com>

Login: Use the login name provided when your service was activated

Password: Use the password provided when your service was activated

If you have any questions, please contact our support department at support@traci.net.
